**How to Join**

- Each student is automatically enrolled in the Scheme and provided with a "Self-development Award Scheme Booklet" and details of the scheme.
- Students should actively participate in school activities and check their progress with the items listed in each stage. They should record their participation on the "Review and Reflection Form", in order to develop their habit of self-reflection.

- Students should obtain teacher's confirmation and signature within one month upon completion of each item.
- Students who have completed any stage (Stage 1-7) should submit the signed Booklet with the "Review and Reflection Form" to the Moral Education Committee within the application period. Class teachers may evaluate students' performance in Stage 8, "Characteristics of an Ideal Student", and give the certificates to students as approved by the Moral Education Committee.
