Medium of Instruction

語文政策

Our school has adopted English as the medium of instruction and lessons are conducted in English except for Chinese Language, Chinese Literature, Chinese History, Citizens and Social Development and Putonghua. To enhance students' English language ability, our English teachers and professional tutors will conduct special English conversation training with senior students to help them prepare for public exams. We further enhance students' English proficiency and interest in learning through English debates, English dramas and online reading schemes. In addition, we have organized various activities to continually invigorate students' interest in learning. For instance, Halloween and English Fun Day, Spelling Bee, English Week and Comic Strip Design Competition etc.

本校為一所英文中學，除中國語文、中國文學、中國歷史、公民與社會發展及普通話科外，課堂的教學語言均為英語。為了提高學生的英語能力，本校的英語老師及校外導師，與高年級學生進行英語會話特訓，備戰公開試。我們亦透過英文辯論、英語話劇、網上英語練習和閱讀計劃等，提升學生的英語水平和學習興趣。此外，為提高學生的學習興趣，我們亦舉辦了各種活動，例如萬聖節英語趣味日、拼字比賽、英語周、漫畫設計大賽等。

STEAM Education

STEAM 教育

Our school emphasizes the development of students' scientific inquiry and problem-solving skills, starting from everyday life. Through a variety of STEAM activities, students are encouraged to engage with social issues and current events, cultivating talents who can contribute to society. The curriculum includes courses in artificial intelligence, 3D printing, and Arduino, equipping students with skills that align with societal needs and preparing them for future education and careers. Additionally, we encourage students to participate actively in STEAM-related training and activities such as the URC Robotics Competition, drone swarm training, STEAM X BIM architectural design competition, AI art competition, and AI innovation competition. Our students have excelled and earned numerous awards, such as the Silver Award in the AI Innovation Competition and the Champion and First Runner-up in the AI Generated Art Design Competition for secondary schools. Moreover, our school organized a study tour to the Osaka Expo in Japan, allowing students to experience cutting-edge technology at the World Expo, broadening their horizons and expanding their international outlook.

本校注重培養學生的科學探究和解決問題的能力，從日常生活出發，透過多樣化的 STEAM 活動讓學生關心社會和時事，培育能為社會做出貢獻的優秀人才。課程涵蓋人工智能、3D 打印、Arduino 等，為學生提供與社會接軌的技術，為將來升學和就業做好準備。此外，本校鼓勵學生積極參與與 STEAM 相關的培訓課程及活動，如 URC 機器人比賽、無人機群飛訓練、STEAM X BIM 建築設計比賽、人工智能繪畫比賽及人工智能創新比賽等。學生表現出色，多次獲得獎項，例如人工智能創新比賽銀獎及 AI 生成繪圖設計比賽中學組冠軍和亞軍等。本校還舉辦了日本大阪世博考察團，帶領學生走出香港，親身體驗世界博覽會中的高端科技，拓展國際視野。

Moral and Values Education

品德教育 - 德育及價值觀教育

The Moral Education Team aims at cultivating students' positive values and attitudes, and training students to become rational and responsible citizens to meet the challenges of the future.

Our school adopts multiple strategies, including learning in and outside the classroom of different groups and subjects, organizing different activities to promote values education, such as Moral Education Speech Contest, Moral Education Booth Games, Self-discipline Competition, Interviews with Outstanding Celebrities/Alumni, Self-Development Award Scheme, as well as Class Teacher Period, in order to subtly influence students, allowing them to deepen their knowledge through daily practice, thereby establishing positive values.

德育組旨在培育學生正面的價值觀和態度，培育學生成為理性和富責任感的良好公民，迎接未來的挑戰。

本校採用多元策略，包括不同組別、不同學科課堂內外的學習，推動價值教育，例如德育演講比賽、德育攤位遊戲、自律班別比賽、名人或傑出校友專訪、個人發展獎勵計劃等活動，以及班主任課，潛移默化，感染學生，讓他們能夠通過日常實踐，深化知識，從而建立正向價值觀。

Big Brother Big Sister Program

大哥哥大姐姐計劃

Our school concerns about the adjustment of S1 students to secondary school life. To this end, we have set up the “Big Brother Big Sister Program”. S3 and S4 students lead S1 students to adjust to the school environment and help them resolve learning difficulties.

本校一向關注中一新生適應中學生活的情況，特設「大哥哥大姐姐計劃」，由中三及中四同學帶領中一學生適應學校的環境和輔導他們解決學習困難。

S.1 English Learning Skills Enhancement Class

中一級英文學習技巧提升班 (ELSE)

Our school implements the “S1 English Learning Skills Enhancement Class” to assist students to adapt to the learning mode of secondary school gradually. The Pastoral Care Team is responsible for coordinating the plan and applying for funding to run “English Learning Skill Enhancement Class” to enhance their English learning skills and consolidate students’ learning.

本校推行「中一級英文學習技巧提升班 (ELSE)」，讓學生逐步適應中學學習模式。本校牧護組專責統籌相關計劃，並向政府申請撥款開辦「英文學習技巧提升班」，發展學生以英語學習的能力，協助他們鞏固學習。

S1 ELSE Class

「英文學習技巧提升班」，

S.1 Bridging Course 中一銜接課程

Our school organizes S1 Bridging Course to facilitate S1 students to adapt to the learning environment in secondary school. It includes the teaching of the study skills of major subjects which are conducted in English. It is our hope to enhance students’ self-confidence through an interactive learning mode and encourage them to communicate with others.

本校每年暑假均舉辦中一銜接課程。此課程教授各主要學科的學習技巧，並以英語進行，希望學生能透過互動的學習模式，增強個人自信心，並能鼓勵他們多與人交流。

“One Person, One Instrument” and “One Person, One Team” Programs

「一人一樂器」及「一人一團隊」計劃

The “One Person, One Instrument” and “One Person, One Team” programs allow S1 students to choose to learn their favorite musical instruments and participate in one of the uniform teams to explore their potentials and talents. Through these programs, students’ learning can be diversified.

本校推行的「一人一樂器」及「一人一團隊」計劃，讓中一同學可因應個人不同的喜好，選擇學習心儀的樂器或參與各式各樣的制服團隊，從而讓學生得到多元化的發展。

Parent-Teacher Association 家長教師會

The Kwun Tong Government Secondary School Parent-Teacher Association was established in 1986 and was officially registered as the Kwun Tong Government Secondary School Parent-Teacher Association Limited in March 2003. Over the years, with the active support of teachers and parents, the activities have been carried out smoothly, whilst the forms of activities have gradually become diversified. These activities not only foster the connection between parents and the school, but also promote parents' education and communication among parents.

觀塘官立中學家長教師會於一九八六年成立，並於二零零三年三月正式註冊成為觀塘官立中學家長教師會有限公司。多年來在老師和家長的積極支持下，活動得以順利進行，而活動的形式亦漸趨多元化，這些活動不但增進家長和學校之間的聯繫，更成功推動家長教育和促進家長之間的交流。

Alumni Association 校友會

The school's alumni association was established in 1987. The Alumni Association has been actively supporting various activities of the school for many years, such as the annual general meeting, basketball games, badminton activities, barbecue evenings, and sharing sessions. It is dedicated to uniting alumni, strengthening connections, and ensuring that the 'Kwun Chung' traditions are passed on to the younger generation.

本校校友會成立於 1987 年。校友會多年來均積極支持本校的各項活動，如周年會員大會、籃球比賽、羽毛球活動、燒烤晚宴及分享會等，致力於團結各校友，凝聚力量，與母校保持緊密的聯繫，讓觀中優良的傳統薪火相傳。
